

Did I stretch myself beyond my comfort zone?
Did I contribute something greater than myself, no matter how small?
Did I open my heart to giving and receiving unconditional love?
Did I stay true to myself in my choices, risks, and time?
Did I feel enough joy, laughter, and peace?
Did I forgive myself for each mistake I made?
Did my gratitude grow with me?
Do I have any regrets or unfinished business?
What will I leave behind?

What will I take to my grave?
